

A very simple doll template suitable for any skill level.

A few suggestions:

Print to paper and trace to plain muslin or sheeting.

Sew along outline, leaving an opening at feet for turning and stuffing. Trim away excess fabric and turn.

Stuff lightly with fiberfill.

Hand stitch closed.

Paint as desired with craft acrylic paints.

Address back of doll with permanent marker and affix stamps with white or fabric glue.

.....

Sew doll along outline and trim excess leaving a half inch of fabric, but don't turn.

Stuff lightly and sew opening closed.

Fray fabric edges. Paint and embellish as desired.

.....

Add decoration and color in a graphics program.

Print directly to printable fabric.
